## Accelerated Learning Program

### Parent / Guardian Application 2026

---

### 3. Parent Agreement

I understand that Geelong High School will be contacting my child's Primary School teacher requesting further relevant information.

I agree to pay \$90 for the EduTest online tests which are used to support the development of classes and participation in the Accelerated Learning Program. Payment can be made when you register for testing after an email from the school. Financial assistance is available on request.

In 2025, Grade 6 students looking to be accepted into the GHS Accelerated Learning Program should apply either in the 'Round 1' cycle or 'Round 2' cycle of applications. Whilst all students may apply at any time, only students who live in the Geelong High School Zone can be considered for a place in Round 1 as part of a new initiative by the Department of Education. Please go to the Find My School website to see if you are within the zone for Geelong High School. Students who are not in the zone are still strongly encouraged to apply.

*If you have any questions about this, please contact the school.*

All students who apply must complete the application form on the school website and take it to the front office.

**Round 1 (In Zone) Applications are due by Thursday the 24<sup>th</sup> of April.**

**Round 2 (Open) Applications are due by Friday the 25<sup>th</sup> of July.**
