

Designing my Senior School Studies

Starting questions

I am thinking about doing VCE? Year 11 – 6 subjects. Year 12 – 5 subjects

I am thinking about doing VCAL? Year 11 Intermediate or Year 12 Senior (You must include a VET or SBAT in this option)

I would like to apply for a VET? Lots of choices to consider and you like applied learning and would like to gain Industry skills

I would like to apply for a SBAT? Many options – you will be in the workplace one day a week plus training.

- Remember Units 3 & 4 make a sequence and must be completed together. Unit 1 and 2 can be stand-alone units.

Check out the options on www.vcaa.edu.au Read through the study designs so you know what is involved in the subject.
