Year 9 Home Group Course Counselling (Year 10 2025) Course Counselling Day – Thursday 1st August

Over the next couple of weeks you will be asked to select the courses which you will do in **Year 10**. By completing this sheet it is hoped this will help you to think about your options for next year.

Name five careers/jobs which you would like to do when you have finished school:

Name your favourite subjects at school: _____

Name subjects which you excel at: _____

Important things to consider when choosing subjects:

- Make yourself familiar with the 2025 Curriculum Handbook which is available to download from the school website under '2025 Handbooks' or Compass 'school resources'
- Visit the GHS Careers Website www.geelonghscareers.com and complete interests quizzes, your resume, explore pathway options from a GAP year, Universities, Apprenticeships and TAFE
- Keep your options open (your ideas could change in the next year or two)
- Select a range of subjects – it is an expectation that students will choose at least 1 unit from each Learning Areas (other than English and Maths that run all year and therefore equal 2 units)
- Select subjects which interest you and you succeed at
- Select subjects which are important for your preferred career path.
- Aside from VET Dance and VET Sound Production there are limited VET places available for year 10 students in 2025. If you would like to discuss VET as a pathway, please see one of the Careers team about available options.
- Consider accelerating into doing VCE units 1 and 2 subjects when you're in Year 10. If this is something that interests you, you must complete **'VCE Accelerated' paperwork before the Course Counselling day and have an interview with Mr Ayerbe BEFORE your interview.**
